

Privacy Policy – www.merge-pst.com – KDETools

Our company has pledged to protect our client's privacy that they share with us on our website. We use the collected personal data for outlined motives and we don't distribute, sell, or rent out the information under any circumstances that you provide us at **www.merge-pst.com** We do not share the information provided by you and strictly adhere to our obligations. We will use the information provided by you to enhance our performance and improve our official website by taking your permission.

Read thoroughly our privacy policy to comprehend how we collect the information and how we handle it. For any further explanation or doubt please be feel free us at support@kdetools.com. |

Personal Information Gathered

We will not gather any personal information without your permission. The user can browse to our website without providing any personal information. While purchasing software on our website, you need to log in at our website and this way, we will receive your contact information. You need to fill the details to buy specific software and complete the process. All the relevant information gathered will be saved securely and no one can access the information without authorized access.

How Do We Handle Your Personal Information Gathered?

1. **Placing An Order Online**

While placing an order online, we collect the personal information of our clients such as contact number, home address, name, email address, and other relevant details and this information is used while confirming the order placement.

2. **Contest And Survey**

If we conduct any contest and survey, then we request you to share your personal assessment. We will notify the winners of the contest through the information that we will collect when you participate in the contest or survey. All the relevant information gathered will be used after taking your consent.

3. **Cookies**

The IP address of the users is obtained while downloading a demo version of the software. We use advanced analytics tools to comprehend the user's behavior and analyze the functioning of the software across the globe. We do not acknowledge providing the user's personal information without their consent. Make certain that you go thoroughly through our Cookies Policy before installing the software.

4. **Support Team**

Our Support Team clarifies our customer's queries and we answer them by using the information that you provided us with. Your email address will be used to communicate with you regarding any query or purchase formalities.

5. **Security**

We take the best measures to make certain that any online transaction is safe and secure and your credit card information is saved securely. However, we are not responsible if there is any breach of security.

Modifications to the Privacy Policy

We reserve the right to modify or alter any changes to the privacy policy at its sole discretion. Any modifications made in the policy will be mentioned on this page. Kindly visit this page regularly to check for any modifications.
